

JOURNAL POSTER PRESENTATION DETAIL

Abstract J11

General Information

Title : Dr.
FirstName : Nasroallah
LastName : Moradi Kor
Email ID : moradikor.nasroallah@yahoo.com
InstituteName :
Department :
Address : Research Center of Physiology, Faculty of Medicine,
Semnan University of Medical Sciences, Semnan, Iran
City/Zipcode : Semnan / 35198-9995
State : Semnan
Country : Iran, Islamic Republic of
PhoneNo : 2333346420
Mobile No : 9137684047
Registration Date : 18-05-2015

Journal Poster Presentation Information

JournalPosterTrackID : WAME_JP_Q6598
Journal Poster Abstract : International Journal of Advanced Biological and Biomedical Research publish high quality and novelty papers focusing on Biological and Biomedical field. We will be published manuscript with new and interesting topics in the journal. Another of our goals is to increase scientific productivity in the fields of Biological and Biomedical research. International Journal of Advanced Biological and Biomedical Research has been indexed in SJIF Journals Master List in 2012 and Universal Impact Factor Journal Master List in 2014. The score of 3.56 has been assigned as SJIF for International Journal of Advanced Biological

and Biomedical Research. All research articles submitted to IJABBR should be original in nature, never previously published in any journal or presented in a conference or undergoing such process across the globe. All the submissions will be peer-reviewed by the panel of experts associated with particular field. Submitted papers should meet the internationally accepted criteria and manuscripts should follow the style of the journal for the purpose of both reviewing and editing. International journal of Advanced Biological and Biomedical Research is a principle member and subscribes to the International Committee of Medical Journal Editors and World Association of medical Editors. We follow the Uniform Requirements for Manuscripts Submitted to Biomedical Journals, issued by International Committee for Medical Journal Editors (ICMJE), as well as the Committee on Publication Ethics (COPE) code of conduct for editors. The ethical policy of International journal of Advanced Biological and Biomedical Research (IJABBR) is based on the Committee on Publication Ethics (COPE) guidelines and complies with International Committee of Medical Journal Editors (ICMJE) codes of conduct. The following guidelines should be read in line with the journal's guide for authors. The statements confirm that confidentiality and fairness should be considered in all the IJABBR procedures and interactions. Readers, authors, reviewers and editors should follow these ethical policies once working with IJABBR.
