Abstract J16

General Information

Title : Prof.
FirstName : Arti
LastName : Kapil
Email ID : akapilmicro@gmail.com
InstituteName : AIIMS
Department : 
Address : Dept of Microbiology, AIIMS
City/Zipcode : New Delhi / 110029
State : Delhi
Country : India
PhoneNo : 
Mobile No : 9868397951
Registration Date : 31-08-2015

Journal Poster Presentation Information

JournalPosterTrackID : WAME_JP_I2922
Journal Poster Abstract : Indian Journal of Medical Microbiology: moving towards excellence!

Arti Kapil, Balaji Veeraraghavan, Seema Sood, Purva Mathur

Indian Journal of Medical Microbiology-IJMM (Print -025 3646) is the official publication of Indian Association of (IAMM). The journal is peer-reviewed open access public-quarterly in January, April, July and October. The journal’s website gets over 1,500 visitors every day of the world. The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of 
compliant institutional / subject-based repository.

The journal is indexed with CAB Abstracts, Caspur, CINA Knowledge Infrastructure, DOAJ, EBSCO Publishing's Excerpta Medica / EMBASE, Genamics JournalSeek, Google IndMed, Journal Citation Reports, MedInd, MEDLINE/IndMed, Science Citation Index Expanded, Scimago Journal and Country Rank, Summon by Serial Solutions and Web of Science.

The IAMM was formed in 1976 and three years after the body of medical microbiologists started the journal. The clinical microbiology publications as different from basic science.

The journal receives more than 500 contributions each year from India and other parts of the world. At present the publishing company is Wolters Kluwer-Medknow, which is a global information provider.

Its e-circulation is >3000 and print circulation >2500. There has been substantial growth in the last 10 years and subscription has increased 6 fold in the last 6 years.

Articles can be submitted as Original Articles, Review Articles, Brief communications, Case Reports, Correspondence, and Research snippets.
