Journal Poster Abstract: The Indian Journal of Pathology and Microbiology is the official Quarterly publication of the Indian Association of Pathologists and Microbiologists. It had completed 50 glorious years in the year 2007. Late Dr Vanmali Saran Maglik of King George Medical College, Lucknow is the founder editor who started the journal in the year 1958. Initially the journal was called Indian Journal of Pathology and Bacteriology and the present name is in existence from the year 1965. The journal grew over the years under the able guidance of stalwarts like Late Dr HI Jhala, Late Dr V Ramalingaswamy, Dr HD Tandon, Late Dr BK Aikat and
Late Dr S Nagalotimath. The present form is due to the untiring efforts of Dr KS Ratnakar, Dr VH Talib, Dr SK Shahi Dr Harsh Mohan and Dr S Satyanarayana. The journal is widely read and is in almost all the libraries of the country and in many institutions outside the country. From the year 2008, the article submission, review, correspondence and publication process has been made online (www.journalonweb.com/ijpm). Now the journal has its own website (www.ijpmonline.org). With these changes the visibility and popularity of the journal has tremendously increased. Dr. Vatsala Misra is the present editor of the journal. The journal is indexed in most of the reputed indexing agencies. The journal is committed to meeting and upholding standards of ethical behavior at all stages of the publication process. The journal covers all aspects of morbid anatomy, histopathology, cytopathology, haematology, clinical microbiology and molecular pathology. It has about 35 editorial board members from various specializations of Pathology and 35 international advisors. There are 5750 registered authors from India and abroad and 368 reviewers. About 550 manuscripts have been submitted till now in 2015. Acceptance rate for 2015 is 1% till now.
